Submit your abstract by 15 April 2023

Dear colleagues,

[RawMat2023](#), one of the most anticipated conferences in the field of raw materials, is just around the corner! With the event set to take place in late August this year, we would like to invite all potential participants to submit their abstracts by the **approaching deadline** of **15th April 2023**. This is a great opportunity to showcase your research to an engaged and knowledgeable audience, receive valuable feedback, establish new collaborations, connect with fellow experts in your field, and contribute to the advancement of raw materials research.

Whether you are a seasoned researcher or a young scientist, RawMat2023 is an event not to be missed. So don't wait any longer, submit your abstract today to be considered for oral or poster presentations and be part of this conference. For abstracts submission please follow this link:

The Venue

It is our pleasure to announce that the [Zappeion Exhibition Hall](#) has been chosen as the venue for the upcoming RawMat2023 conference. Zappeion is a historical landmark and one of the most prestigious venues in Athens, situated in the heart of the city, just a few steps away from the famous Panathenaic Stadium and Syntagma Square. The building is a testament to neoclassical architecture and a symbol of Greece's rich cultural heritage.

Platinum sponsors

ElvalHalcor S.A. and MYTILINEOS S.A. have announced their support of RawMat2023 as platinum sponsors (<https://www.rawmat2023.ntua.gr/sponsors/>).

We look forward to seeing you in Athens for RawMat2023!

Best Regards,

Prof. Anthimos Xenidis
